

# John Doe

123 Main Street  
Cityville, ST 12345  
Email: john.doe@example.com  
Phone: (123) 456-7890

## Objective

Experienced software engineer with a strong background in project management and a proven track record of delivering high-quality software solutions. Seeking a challenging role that leverages my technical skills and leadership abilities.

## Education

Bachelor of Science in Computer Science  
University of Technology, Cityville  
Graduated: May 2015

Certification in Project Management  
Project Management Institute  
Completed: June 2018

## Work Experience

Senior Software Engineer  
Tech Solutions Inc., Cityville  
June 2018 - Present

- Led a team of 5 developers to build scalable web applications using Python, Java, and Django.
- Implemented machine learning algorithms to enhance product features and user experience.
- Managed project timelines and coordinated with stakeholders to ensure timely delivery.

Software Engineer  
Innovatech Ltd., Cityville  
June 2015 - May 2018

- Developed and maintained software applications in Java and C++.

- Collaborated with cross-functional teams to integrate new features and resolve bugs.
- Participated in code reviews and provided mentorship to junior developers.

## Skills

- **Programming Languages:** Python, Java, C++, JavaScript
- **Frameworks & Tools:** Django, Flask, React, Docker
- **Project Management:** Agile, Scrum, Risk Management, Stakeholder Management
- **Machine Learning:** Scikit-learn, TensorFlow

## Projects

### Project Management System

- Designed and implemented a project management system using Django and React.
- Integrated features such as task tracking, team collaboration, and reporting.
- Used Agile methodologies to manage project milestones and deliverables.

### AI-Powered Image Recognition Tool

- Developed an image recognition tool using TensorFlow and Python.
- Implemented models for object detection and text extraction from images.
- Successfully deployed the tool in a production environment, leading to a 30% increase in efficiency.

## Awards & Recognition

- **Best Software Engineer of the Year** – Tech Solutions Inc. (2021)
- **Project Management Excellence Award** – Project Management Institute (2019)
